# Affordable Travel Soccer

## Who is Lawrence Revolution

Revolution Soccer Club was formed in 1995 and has a very good reputation for providing competitive soccer teams at an affordable price. Revolution provides players a chance to experience travel soccer in an environment that focuses on equal playing time, good coaching and the continuous development while focusing on keeping costs low.

## Is it Affordable?

Revolution uses multiple strategies to keep costs low including no paid administrative staff, keeping uniform costs low and playing in mostly local tournaments and leagues. Seasonal Costs are approximately \$200 for club fees, plus tournament fees. (each tournament is about \$35+/- ) Uniform fees are separate. Some teams use additional training resources which could increase the per player cost but we leave that decision to each team.

## League and Tournament Play

Our club plays mostly in the CIYSL and GIRLS leagues. These leagues are in the Central Indiana area with a travel distance within 60 miles of Indianapolis. Both Spring and Fall seasons have 8 to 10 league games, and 1 to 4 tournaments. To keep costs down we encourage teams to play in tournaments that are in Indiana or within a short driving distance of Indianapolis.

**Tryouts will be held at the Lawrence North High School soccer fields, located at 7802 Hague Road, Indianapolis, IN 46256.**

**Registration of players will begin 30 minutes before each tryout session.**
